

**TOWN OF ACTON
SELECTMEN'S MEETING
AUGUST 14, 2007**

1. **PUBLIC FORUM:** Dick Neal wanted to go on record as complaining about the Motocross Rally on August 12. The noise and number of bikes going by his house was totally offensive. Mike said he would check into this to report the complaint but this is vehicular traffic which the Town has no control over. Dick feels the Town should be notified when this is going to take place.

Bob Anderson said he will look into the cost of replacing the Town of Acton signs that AIM put up some years ago.

Dick Neal extended an invitation for the public to visit the Mary Grant Nature Preserve to see what progress has been made. He hopes to have the Americore group to work for a day.

Dennis asked if the moratorium can be petitioned for. Some present think there is a three year wait before calling for another vote.
