

**TOWN OF ACTON
SELECTMEN'S MEETING
MARCH 6, 2007**

1. PUBLIC FORUM: Jeremy asked where information about the requirements for drug testing of employees could be found. Does the Town have a policy? Nancy said they do not have a specific policy. Maine DOT requires all employers with CDL drivers to be enrolled in a program that does random testing. Both Road Commissioners are enrolled in programs through their insurance carriers and all their drivers with CDL licenses have to be tested. Jeremy said he feels the Town should have a program where all employees are randomly tested. Percy suggested selectmen check into this.

Jack Kelly requested that Covewood Drive be posted for weight limits to keep log haulers off from 13th Street while the roads are soft. Nancy said she would contact the Road Commissioner.

2. APPROVAL OF AGENDA: Approved with the addition of 6.(A).

3. APPROVAL OF MINUTES OF LAST MEETING: Approved as written.

4. WARRANT: Approved and signed.

5. OLD BUSINESS:

(A) **ASSESSING:** Maine State Revenues Services auditor was here last week to audit our assessing files to establish our assessing ratio.

(B) **CABLE CONTRACT:** No action.

6. NEW BUSINESS:

(A) **DAVE AUBERT:** Dave was present to request a lot line adjustment for the old Blacksmith Shop lot on Foxes Ridge. He needs more land to put in a septic system, (approximately .1 of an acre), from the old Greene Tannery lot which is Town owned property due to foreclosure for non-payment of taxes. Aubert is offering to pay \$300 for the land. Selectmen said that this transaction is more than a lot line adjustment. If they sell to other than the owner of record, they must either sell by bid or public auction, or if to an abutter, to have Town Meeting approval. They will put an article in the June Town Meeting Warrant.

7. ADJOURNMENT: The meeting was adjourned at 7:45 p.m.
