

Acton Cemetery Committee Meeting

March 26, 2024

Present: Steve Parello (Chair), Suzanne Doyle (Co-chair), Gerald Carter, Tracey Levasseur

Meeting called to order at 6pm in the Shapleigh Community Library.

- The Acton Select Board meeting is set for March 27. This meeting ACC members will discuss the operation document and answer any questions that may arise.
- The trees at Goodwin cemetery have been removed but the stumps still need grinding.
- Amy Merrow will have the trees at Merrow cemetery removed. It will be \$1800. The ACC will cover \$900 of that amount.
- ACC received an email from the accountant handling Acton's finances until a new treasurer is hired. The details were discussed. We're questioning why there are 3 separate accounts and why money was transferred in the Trust Fund account. Jennifer will have to explain this. So at this time we don't know exactly what is available for the committee to use.

Meeting adjourned at 6:35pm. Next meeting will TBA.
